How Do I Enter the Fair?

Who can enter the Fair? **EVERYONE!**

Persons under six years old may exhibit in any non-animal lot, but will not receive premiums. Those in the 4-H Cloverbuds program can enter separate exhibits in a special class – see page 37.

All persons 6 to 19 years of age may enter in the Open Fair, see page 38. They may also enter the Youth Fair (grades K5-2 only in Cloverbuds – see page 37) if they are involved in 4-H, FFA, or other accredited youth programs – starting on page 9.

Persons ages 19 and over may enter only in the Open Fair – starting on page 19.

Persons over 62 years of age may enter in either the Open Fair or the Senior Fair or both.

A Fair Entry Form/Worksheet can be found on the back page of this premium list.

Youth entries due July 7.

Open Fair animal entries due July 7.

Fair exhibits must be in place by 7 pm on the Thursday of the Fair with tags. Allow time to visit the Fair Entry Booth to receive your exhibitor number and fill out your entry tags. To join 4-H, call the Extension Marinette County Office at the Courthouse in Marinette 715-732-7514

If you have any questions, call the Superintendent in charge of the department (listed throughout this publication).

Local Regulations

General

These apply to Junior, Open, and Senior Citizens.

1. Any Marinette County resident is eligible to become a Marinette County Fair Association member with voting privileges at the annual meeting, which is held in October, upon payment of required dues by last day of fair at 5:00 pm (to be eligible to vote at annual meeting)
2. Only Marinette County residents may exhibit at the Marinette County Fair unless otherwise specified in supplementary regulations.
3. Exhibits may be entered only in the name of the person whose skill is exclusively represented in the exhibit, and has been applied to the exhibit this year unless otherwise specified in supplementary regulations.
4. Violation of any Marinette County Fair regulation will result in premium payment forfeiture.
5. Judges have been carefully selected: exhibitors accept these judges, and agree to abide by their decisions. Protests upon any other grounds, or against other than judges, must be submitted in writing on the same day in which protested action was taken, to the department or superintendent concerned, who shall present such protest to Marinette County Fair officials. Persons filing protest must deposit \$5.00 to be forfeited if not sustained in complaint.
6. Exhibits other than face-to-face judged exhibits must be in place on the grounds and properly entered before seven o'clock (7:00) in the evening of the first day of the fair unless otherwise specified in the supplementary regulations. Face-to-face judging on Thursday will be from 11:00 am to 7:00 pm with face-to-face judged exhibits entered no later than 7:00 pm.
7. An exhibitor attempting to influence a judge in their work in any manner shall forfeit all premiums awarded and will be excluded from further competition. When exhibits are not deemed worthy, judges will refuse to award premiums, whether there be competition or not. When respectively questioned, judges are expected to give reasons for their decisions, stating what constitutes special points of excellence in the class being considered, and pointing out the superiority of one over another. Judges will make their report of awards to the department superintendent, properly signed, without delay, after awards are made. Judging starts promptly at the times indicated in the program, therefore all entries must be in and properly listed in the judge's book before judging begins.
8. After arrival at the fairgrounds, all exhibits are under the supervision and control of Marinette County Fair officials. Reasonable care will be taken to provide against loss or injury to exhibits, but the Marinette County Fair will not be responsible for them.
9. Exhibits other than livestock shown at a previous Marinette County Fair may not be entered this year unless otherwise specified in supplementary regulations.
10. The Marinette County Fair Association is not responsible for any personal injury or accident sustained by exhibitor, employee, volunteer worker, or patron.
11. Supplementary regulations located elsewhere in the premium list apply to Open Fair, Youth Fair departments, divisions, and classes must be observed by the exhibitor.
12. Exhibit buildings close each day at 10:00 pm Thursday through Saturday.
13. Animals sold at auction leave at 2:00 pm on Sunday. Exhibits must remain in place at the fairgrounds until 5:00 pm of the last day of the fair unless otherwise specified in supplementary regulations. Exhibitors violating this regulation forfeit premiums on all exhibits shown and are barred from exhibiting in the succeeding year.
14. If, in the superintendent's opinion, livestock is not properly cared for at the fair, premiums will be withheld.
15. Judging will begin with Junior Livestock exhibits.
16. No dogs allowed on the fairgrounds during the fair. The only exceptions to this are leader dogs and companion dogs.

Open Fair

1. Livestock exhibits must be owned by the exhibitor at least 60 days before entry day, unless specified otherwise in supplementary regulations.
2. Each exhibitor may receive no more than one premium in each lot.
3. Exhibitors must be six years old to be judged against other entries.

Junior Fair

Youth Livestock exhibitors must be in their grade unless specified otherwise in supplementary regulations.

1. Youth Fair exhibitors are limited to Marinette County youth groups and under adult leadership.
2. Youth Fair exhibitors may enter only one exhibit in each lot.
3. Youth fair entry blanks must be in the Extension-Marinette County office by **July 7 for the fair. Entries are not accepted after this date.** Pick up entry tags at the fair office on the first day of the fair.
4. 4-H exhibitors must have been enrolled in club work by May 1 of the fair year.
5. All animals must be shown by the exhibitor unless special permission is granted

by the superintendent of the department.

6. Livestock exhibited must be owned or managed by the exhibitor.
7. The Danish system of judging is used unless otherwise specified in supplementary regulations.
8. Youth Fair exhibitors may exhibit in Open Fair but not the same exhibit unless otherwise specified in supplementary regulations.
9. Youth exhibitors who drink or have drugs on the grounds or who have been removed from the dorm for disciplinary reasons lose their right to exhibit during the current fair and no premiums will be paid for the current exhibiting year.
10. **Animal Grooming – responsibility for grooming animals for show is the responsibility of the exhibitor.** In keeping with this fact, the following rules will be observed.
 - a. Clipping, trimming or blocking (all species) by anyone other than the exhibitor or immediate family will not be permitted at this show. Violation of the rule automatically disqualifies the exhibitor and shall result in forfeiture of all premium monies.
 - b. Any inappropriate appearance altering – coloring, surgery, addition of hair, or treatment (medical or physical) (external or internal) SHALL RESULT IN DISQUALIFICATION of the exhibit and/or exhibitor as the proper authorities shall deem appropriate.
 - c. Any equipment or inappropriate attire on an exhibitor or an animal judged by the division superintendent to be detracting from the appearance of the show shall be changed upon request. For clarification, review the 4-H literature for dairy, beef, sheep, and swine fitting and showing.
 - d. In the dairy and beef show ring, exhibitors may use the traditional show halter, show sticks, and appropriate combs. Throat straps and nose leads will not be permitted.

Animal Health Regulations for Fairs and Shows in Wisconsin: 2020 Season

This is a summary of animal health requirements for fairs, shows and exhibitions only. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, to you should always check our website (<https://datcp.wi.gov/>) or contact us for current information

General Requirements for Show Organizers

All fairs or exhibitions of any length must obtain, review, and keep for five years all required records and test results:

- Exhibitor's name and address
- Animal identification (number, type, description)
- Documents showing compliance with disease testing, identification, and other health requirements
- Livestock premises number, if any, where animals originated
- If requested by the fair or show organizer, the documentation showing legal importation (if applicable) and movement to the event

Fairs or exhibitions lasting more than 24 hours must appoint a licensed veterinarian to inspect all animals daily and review the above required records.

Diseases

Animals that show evidence of having contagious or infectious diseases may not be commingled (or housed/kept) with other animals at a fair, show, or other exhibition in such a way as to allow disease to spread. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving, or be subject to other action as would be necessary to control disease. **Bovine animals with ringworm, mange or scab** will be removed from the fair or exhibition premises, unless the veterinarian in charge finds warts or ringworm lesions are incapable of transmitting disease.

Cattle and bison

Cattle from within Wisconsin have no requirements for tests or health documents.

Cattle from outside Wisconsin must:

- Be accompanied by certificate of veterinary inspection (CVI or health certificate) documenting official animal identification (ID) and all required tests and certifications
- Have at least one form of official individual ID (including steers)
- Meet all of Wisconsin's normal requirements for import (see https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx)

Acceptable animal IDs for all cattle from outside Wisconsin

- USDA metal ear tag number that is part of the National Uniform Eartagging

System (NUES) (starts with state 2-digit code, also known as “brite” tag); this includes the orange brucellosis vaccination tag

- 15-digit “840” tags (visual or RFID)
- Valid only if applied before March 11, 2015:
 - Manufacturer-coded RFID tag - 15-digit number with the first three digits in 900s
 - American ID tag – 8 to 12-digit number prefaced with “USA”

Brucellosis requirements for cattle from outside Wisconsin

No cattle from outside Wisconsin are currently required to be brucellosis tested or vaccinated to come to fairs and shows in Wisconsin

Tuberculosis requirements for cattle from outside Wisconsin

For requirements by state, see: https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx

Cattle from Michigan's Modified Accredited Zone (for cattle from Michigan's TB Free Zone, see requirements by state above) also need:

Import permit

- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Cattle from Canada must meet current federal requirements to enter the United States. (See https://www.aphis.usda.gov/regulations/vs/iregs/animals/downloads/pro_imp_cattle_bison_NOV_17.pdf) Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx.

Swine

Swine from within Wisconsin need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate):

Note: Herd of origin means the herd in which the pigs currently reside, likely the exhibitor's herd. When pigs are purchased from a herd, the herd from which they originate is the herd of origin for the seller. Once the purchased pigs are added into the buyer's herd (even if the buyer's herd only consists of one or just a few animals), the buyer's herd becomes the new herd of origin and that herd must meet testing requirements to move pigs again.

- Stating that the entire herd of origin was inspected on the farm within 30 days before the show and showed no signs of disease.
- **Non-terminal Exhibitions:** All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and SECD (Swine Enteric Coronavirus Disease) test of the herd of origin within 90 days of the exhibition.
- **Terminal Exhibitions:** No testing requirements.

Note: Terminal Exhibitions are those at which the swine go directly from the fair/show to the slaughtering establishment OR to a slaughter only market sale. If going to a slaughter only market sale, contact the Division of Animal Health fair inspector for required information to collect.

Swine from outside Wisconsin need a certificate of veterinary inspection that includes the following:

- The negative results of the PRRS test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin.
- The negative results of the SECD test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin.
- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no clinical signs of PRRS and PEDv or any other apparent disease was present at the time of inspection
- Official individual identification (ID)
- If the herd of origin tests positive for PRRS and/or PEDv, contact the Department of Agriculture, Trade and Consumer Protection at 608-224-4872 for options

Acceptable methods of ID for swine are:

- USDA silver ear tag
- USDA 840 ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and the tattoo is registered
- An ear tag with the premises identification number and a unique identifier
- Ear notch if the pig is a purebred and the notch is registered

Requirements are subject to change as conditions warrant. For current information and for PRRS and SECD testing options, check https://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx.

Sheep and goats

Note: These rules do not apply to non-domestic sheep and goats. For these animals see the section on Exotic ruminants below.

Sheep and goats from within Wisconsin need:

- If sexually intact, need official individual ID at any age

- If not sexually intact, need official individual ID if they are 12 months or older
- Official ID includes scrapie ear tags or tattoos, USDA 840 ear tag, approved microchips if a reader is available and if accompanied by breed registration papers in the owner's name, or breed association tattoo if accompanied by registration papers in the owner's name
- Cannot be under restriction for movement to fairs and shows

Sheep and goats from outside Wisconsin need:

- Certificate of veterinary inspection (CVI or health certificate) and official individual ID: scrapie ear tags or tattoos, USDA 840 ear tag, approved microchips if a reader is available and if accompanied by breed registration papers in the owner's name, or breed association tattoo if accompanied by registration papers in the owner's name

Goats from Michigan's TB Modified Accredited Zone also need:

- Import permit
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/SheepGoatMovement.aspx.

Equine

Equine animals from within Wisconsin need documentation of a negative EIA test done within the previous 12 months, which clearly identifies the animal by complete description, digital photographs, or an approved microchip (if a reader is available). No test is needed for nursing foals accompanying negative dams. Documentation may be:

- Official test report VS 10-11, or
- USDA-approved electronic test form, or
- Global Vet Link EIA electronic form, or
- Certificate of veterinary inspection with the test results listed

Equine animals from outside Wisconsin need:

- Certificate of veterinary inspection (CVI or health certificate) which clearly identifies the animal by complete description, digital photographs, or an approved microchip
- Negative EIA test done within previous 12 months that is reported on the CVI
- No EIA test is needed for nursing foals accompanying negative dams

Equines from Minnesota are exempt from the CVI requirement if:

- Ownership does not change while the animal is in Wisconsin
- The animal remains in Wisconsin no longer than 7 days
- Proof of a negative EIA test in previous 12 months accompanies the animal

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/HorseOtherEquineMvmt.aspx

South American camelids: llamas, alpacas, guanacos, vicuñas

South American camelids from within Wisconsin have no requirements.

South American camelids from outside Wisconsin must have a certificate of veterinary inspection (CVI or health certificate) and official individual ID. Official ID may be:

- Approved USDA ear tag number
- Microchip number
- Breed association registration number
- Breed association tattoo

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/LlamaAlpacaMovement.aspx.

Exotic ruminants

Note: Exotic ruminants are ruminants that are not native to Wisconsin, and are not cervids – for example, Old World camels, yaks, water buffalo, pronghorn antelope, giraffes, and non-domestic sheep and goats. In addition, please contact your county and local municipality for any restrictions.

Exotic ruminants from within Wisconsin have no requirements.

Exotic ruminants from outside Wisconsin must have

- Certificate of veterinary inspection (CVI or health certificate)
- Official individual ID (one of the following)
 - Approved USDA ear tag number

- Microchip number
- Breed association registration number
- Breed association tattoo
- Import permit
- Proof written on the CVI that they meet requirements for:
 - Tuberculosis (TB) – negative test required within 60 days before entry
 - Brucellosis – negative test required within 30 days before entry

Please call 608-224-4872 beforehand to determine which TB test to use.

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/ExoticSpeciesMvmt.aspx.

Poultry and waterfowl (Pigeons are not considered poultry for fairs and shows)

Poultry and waterfowl from within Wisconsin need:

- A NPIP certificate stating that the birds originate from a US pullorum-typhoid clean or NPIP affiliate flock and turkeys must test negative for *Mycoplasma gallisepticum*, or
 - A DATCP-issued certificate stating they are from a Wisconsin Tested or Associate Flock and turkeys must test negative for *Mycoplasma gallisepticum*
- or
- Individually test sexually mature birds within 90 days before arrival at the show. These birds also need wing or leg band ID. All birds must test negative for pullorum-typhoid, and turkeys must test negative for *Mycoplasma gallisepticum*.

Poultry and waterfowl from outside Wisconsin need a certificate of veterinary inspection or equivalent (such as form VS 9-3) that states:

- They originate from a flock classified pullorum-typhoid clean under NPIP or an equivalent state program and turkeys must test negative for *Mycoplasma gallisepticum*, or
- If they are sexually mature, that they have tested negative for pullorum-typhoid (and *Mycoplasma gallisepticum* for turkeys) within 90 days before arrival at the show. These birds also need wing or leg band ID.

Not required:

- Import permit number

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PoultryMovement.aspx.

Small animals: Dogs, domestic cats, and other household pets (ferrets, pet birds, rabbits, gerbils, guinea pigs, hamsters, domestic mice and rats)

Note: These rules do not apply to animals that are part of menageries. For those rules, see below. Pot-bellied and miniature pigs fall under rules for swine. Dog hybrids, domestic cat hybrids, or exotic small cat species such as servals fall under rules for Exotic small animals. Native wild animals and birds, including raptors, and captive wild animals such as raccoons, opossums, and skunks fall under rules for wild animals.

Dogs from within Wisconsin that are 5 months or older need proof of current rabies vaccination.

Cats and other household pets from within Wisconsin have no requirements.

Dogs and cats from outside Wisconsin that are 5 months or older need to be vaccinated for rabies by a licensed veterinarian, and regardless of age, need certificates of veterinary inspection (CVIs or health certificates) stating the age of the animal and for animals 5 months and older the date of last rabies vaccination and revaccination due date

Other household pets from outside Wisconsin need certificates of veterinary inspection (CVIs or health certificates) but have no testing or vaccination requirements.

Small animals from other nations need to meet requirements of the U.S. Department of Agriculture (608-662-0600) and Centers for Disease Control (1-800-232-4636).

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PetMovement.aspx.

Exotic small animals (any species not covered by “small animals” above), exotic large animals, and other wild animals

Note: Local jurisdictions may have requirements beyond the state requirements listed here.

Animals from within Wisconsin do not have any requirements as long as they are legally possessed in Wisconsin.

Animals from outside Wisconsin generally have no testing or vaccination requirements, but do need:

- Certificate of veterinary inspection (CVI or health certificate)
- Import permit number

Note: Some animals may not be brought to Wisconsin. These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice. Some animals may require permits from the Wisconsin Department of Natural Resources. See <http://dnr.wi.gov>.

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PetMovement.aspx.

Circus, rodeo, racing and menagerie animals

Note: Local jurisdictions may have requirements beyond the state requirements listed here.

Animals from within Wisconsin must meet vaccination and testing requirements for their species. See these requirements earlier in this document.

Animals from outside Wisconsin need certificates of veterinary inspection (CVIs or health certificates) and vaccinations and tests required for their species. See these requirements earlier in this document.

They also need import permit numbers if they are:

- Circuses and individual circus acts
- Rodeo stock other than individual participants’ horses
- Multi-species menageries (defined as any animals kept in a collection primarily for purposes of exhibition or competition)
- Petting zoos

They do not need import permit numbers if they are:

- Rodeo horses owned by individual participants
- Single-species groups

Note: Some animals may not be brought to Wisconsin. These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice. Some animals may require permits from the Department of Natural Resources. See <https://dnr.wi.gov/topic/wildlifehabitat/captive.html>

Guidelines for housing and managing animals

The State Veterinarian recommends that exhibitors:

- Vaccinate breeding cattle against bovine viral diarrhoea (BVD) at least 30 days before the event
- Test cattle for BVD-PI by immunoperoxidase test, and bring them to shows only if they test negative
- Test cattle for John’s disease by ELISA test, and bring them to shows only if they test negative
- Clean and disinfect vehicles used to transport animals to and from the show, and vehicles used at the show, before and after the show
- Isolate exhibited animals returning to their farms or animals purchased at the show for 21 days before mingling them with other stock

The State Veterinarian recommends that show organizers:

- House cattle separately from South American camelids and other exotic ruminants
- House cattle separately from small ruminants, especially sheep
- House ostriches, emus, rheas and cassowaries separately from domestic poultry
- House swine separately from any other mammals
- Include a space for the premises registration code on livestock entry forms
- Provide hand-washing stations near all livestock facilities
- Provide individual watering and feeding troughs rather than common ones

Premise ID must be listed on entry forms. For information on how to

register for a premise ID visit https://datcp.wi.gov/Pages/Programs_Services/PremisesRegistration.aspx

ATCP 160 Rules for County & District Fairs

Subchapter I — General Requirements and Definitions

ATCP 160.01 Definitions. As used in this chapter:

- (1) “Breed class” and “breeding class” mean a specific breed within a class such as holstein in the dairy class.
- (2) “Class” means a grouping in which exhibits may be entered, including an animal breed or age group for animal exhibits; a type of produce, crop or food; or a specific age, age group or educational grade level of exhibitor.

- (3) "Danish judging system" means a judging system that allows for multiple first, second, third and fourth class selections as provided in s. ATCP 160.91 (4) (b).
- (4) "Department" as it relates to the organizational structure of a fair, means an animal species, production group, or other principal classification of exhibits. As used in any other context, "department" means the state of Wisconsin department of agriculture, trade and consumer protection.
- (5) "Division" means one of 3 exhibitor group classifications for a fair and is limited to junior division, open division and senior citizens division.
- (6) "Entry class" means a class in which the fair allows exhibitors to submit entries.
- (7) "Exotic domestic animal" means an animal that is not a common farm animal.
- (8) "Lot" or "lot number" means the numerical designation assigned by a local fair for a specific category of exhibits within a class.
- (9) "Market class" means a class that includes animals of a certain weight for the breed class that can be sold for slaughter.
- (10) "Premium" means a monetary prize that a county or district fair awards to an exhibitor after judging all competing exhibits in the class to which the premium pertains.
- (11) "Regular judging system" means a judging system that allows for one first, second, third and fourth class selection as provided in s. ATCP 160.91 (4) (c).
- (12) "Self determined project" means a project that meets all of the following criteria: (a) It is approved by the fair board.
- (b) Its subject matter is related to any of the junior fair departments 9, 10, 13 to 16, 18, or 20 to 29. (c) It does not fall into a defined entry class within a department.
- (d) It is carried out by a 4-H member enrolled in a designated 4-H project or alternative project that follows 4-H guidelines, or by a member of another youth organization that does equivalent work.
- History:** Cr. Register, November, 1990, No. 419, eff. 12-1-90; cr. (5), Register, July, 1995, No. 475, eff. 8-1-95; CR 11-037: renun. (1) to (5) to be (2), (4), (5), (8), (10), cr. (1), (3), (6), (7), (9), (11), (12) Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.02 Premium requirements. (1) GENERAL.

- (a) The state aid authorized by s. 93.23 (1), Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.
- (b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.
- (c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.
- (d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.
- (e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.
- (f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.
- (2) PREMIUM LISTS. (a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3) (c).
- (b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.
- (c) Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.
- (3) ENTRY FEES. (a) A county or district fair may charge an exhibitor an entry fee. The entry fee may not exceed 10% of the sum of all premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets.
- (b) Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.
- (4) SPLIT FAIR DATES. (a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.
- (b) Except as provided under par. (c), the department may not pay state aid for a fair

having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit. (c) The department may pay state aid for the following exhibits or contests in a fair having split dates, regardless of whether the department approves those split dates in advance:

1. Clothing revue.
 2. Demonstrations.
 3. Favorite foods revue.
 4. Dogs.
 5. Small animals.
 6. Rocketry.
 7. Shooting sports.
 8. Other exhibits and contests that are similar to those identified in subs. 1. to 7.
- History:** Cr. Register, November, 1990, No. 419, eff. 12-1-90; r. and recr. (1) (e) and am. (3) (a), Register, July, 1995, No. 475, eff. 8-1-95; r. and recr. (4), Register, November, 2000, No. 539, eff. 12-1-00; correction in (2) (a) made under s. 13.93 (2m) (b) 7., Stats., Register, November, 2000, No. 539; CR 08-075: am. (1) (a) Register April 2009 No. 640, eff. 5-1-09; CR 11-037: am. (1) (a), (3) (a), (b), cr. (4) (c) 8. Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.03 Exhibition requirements. A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

- (1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.
- (2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.
- (3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.04 (8).
- (4) State aid may not be paid on exhibits removed from the fair grounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.
- History:** Cr. Register, November, 1990, No. 419, eff. 12-1-90.

ATCP 160.04 Junior fair division; general.

- (1) In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.
- (2) All exhibitors in the junior fair division shall be members of 4-H, FFA, a scouting program, a breed group, or another recognized youth organization under adult leadership that has an education program appropriate to that organization and is approved by the fair board.
- (3) Exhibits in the junior fair shall be the product of the exhibitor's own labor. An exhibit may include a study project, merit project or other special project, a skill area, or a supervised occupational experience in which the exhibitor is regularly enrolled, provided that the fair board approves the project, skill area, or supervised occupational experience as an exhibit.
- (4) State aid may not be used to award more than one premium to any exhibitor in any department in the junior fair division, except that: (a) A premium may be awarded to each member of a group that collectively owns and enters a livestock exhibit in departments one to 5 of subch. IV. (b) An exhibitor may receive a separate premium for showmanship where authorized under subch. IV. (c) An exhibitor may receive more than one premium in a department for which additional premiums are specifically authorized under subch. IV.
- (5) Under subch. IV, within each of the junior fair departments 9, 10, 13 to 16, 18, and 20 to 29, a fair board may establish one or more entry classes for self-deter-

mined projects that are related to that department. The fair board may establish class entry criteria, including student grade level criteria. Entry classes are open to 4-H members enrolled in a designated 4-H project or an alternative project that follows 4-H project guidelines, and to members of other youth organizations that do equivalent work and apply equivalent guidelines. Exhibits may be judged using the regular or Danish judging system. For each entry class, a fair board may pay first-place to fourth-place premiums at any of the following levels designated by the board:

- (a) Premium level one: \$2.00, \$1.75, \$1.50, \$1.25.
- (b) Premium level 2: \$2.50, \$2.25, \$2.00, \$1.75.
- (c) Premium level 3: \$3.00, \$2.75, \$2.50, \$2.25.
- (6) If 16 or more animals, items or articles are entered in any junior fair class, the class may be divided into 2 or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class.
- (7) Special educational exhibits may [be] established if the proposal is presented to the Wisconsin association of fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.
- (8) Within any junior fair department under subch. IV, a county or district fair may establish special classes where none are specified under subch. IV. Special classes may include classes for grade and crossbred females in the beef, swine, sheep and horse departments. Premiums for special classes created under this subsection shall be equal to premiums for comparable classes established in the same department under subch. IV. History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; am. (8), Register, July, 1995, No. 475, eff. 8-1-95; am. (1), Register, November, 2000, No. 539, eff. 12-1-00; reprinted to correct printing error in (1), Register, June, 2001, No. 546; CR 11-037: am. (title), (2), (3), r. and recr. (4), renum. (5) to be 160.80 (4) and am., cr. (5) Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.05 Open division; general requirements.

- (1) The total maximum premiums set forth for all places in any open division livestock class, excluding poultry and rabbits, may be divided into premiums for a greater number of places, but the maximum premium offered for any additional place shall not be higher than the maximum for last place in the class.
- (2) All animals in any open division class shall be owned by the exhibitor, except as provided in s. ATCP 160.09. History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; CR 11-037: r. (2), renum. (3) to be (2) Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.06 Senior citizens division; general requirements.

- (1) The age of exhibitors in the senior citizens division is limited to persons 62 years of age or over.
- (2) Exhibitors in the senior citizens division may not enter identical items or articles in both the senior citizens division and the corresponding classes of the regular open division.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90.

ATCP 160.07 Classes; general requirements.

- (1) Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department.
- (2) (a) Except as provided under par. (b), no county or district fair may receive state aid for premiums awarded for sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses unless those animals are registered purebreds. Registered purebred status shall be documented by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration. (b) Paragraph (a) does not apply to dairy cattle exhibited at a county or district fair if a national breed association certifies that those dairy cattle are recorded in that breed association's qualified herd book which records the genealogy of that breed.
- (3) Any animal entered as part of a group class may also be exhibited in a class for individual animals. (4) Boars may not be entered as an exhibit in the swine department unless their tusks have been removed. (5) The age of an animal, for purposes of determining its entry class under this chapter, shall be determined as of the opening day of the fair.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; renum. and am. 2) to be (2) (a) and cr. (2) (b), Register, July, 1995, No. 475, eff. 8-1-95; CR 11-037: cr. (5) Register April 2012 No. 676, eff. 5-1-12.

Subchapter V — Judging and Accounting

ATCP 160.91 Judging regulations.

- (1) Judging shall be done at county and district fairs by individuals who are registered with the department and who have knowledge, training or experience in the specific class or classes to be judged as determined by the department. Judging shall be done in accordance with the requirements of s. ATCP 160.92 (3) (a). In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.
- (2) Each judge at a county or district fair shall be provided with a copy of

the fair's premium book or list of entry classes at least 7 days prior to the opening date of the fair.

- (3) No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.
- (4) (a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments. (b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings shall be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first group, not more than 4 in the first 2 groups and not more than 6 in the first 3 groups. If there are 8 or more entries in the class, there shall not be more than 25% in the first group, not more than 50% in the first 2 groups, and not more than 75% in the first 3 groups. (c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.
- (5) If any class of exhibits at a county or district fair is judged according to the regular system, the judges for that class may give only one first-place, one second-place, one third-place and one fourth-place award in that class.

History: Cr. Register, April, 1976, No. 244, eff. 5-1-76; am. (1), Register, March, 1980, No. 291, eff. 4-1-80; renum. from Ag 5.07, Register, November, 1990, No. 419, eff. 12-1-90; am. (2), and cr. (5), Register, July, 1995, No. 475, eff. 8-1-95.

Junior Class Fair Rules – General:

1. Entries are open to any boy or girl who is regularly enrolled in good standing in either a 4-H club, FFA, or any other recognized youth organization under adult leadership with an educational program. Person must be enrolled in the project in which they are entering.
2. All projects must be the result of the member's own labor in projects enrolled in during the current year.
3. The same exhibit may not be entered in both Open and Junior Fair, or in more than one lot number.
4. In Junior Fair, an exhibitor can only enter once in a particular lot number. Example: If exhibitor has two latch hook items that they have made for the fair, only one can be entered under Dept. 18, Class C, Lot 8, Latch hook. The other would have to be entered elsewhere or not entered at all.
5. Any Marinette County Junior Fair exhibit entry with wrong department number OR the wrong class number OR the wrong lot number OR the wrong junior fair premium description is classified as an incorrect entry. INCORRECT ENTRIES MAY BE JUDGED DOWN ONE PLACING, AT THE DISCRETION OF THE JUDGE. The entry will not be eligible for champion ship or other award.
6. If exhibitor is not present for face to face judging, they will be judged down one placing. If an exhibitor has an "exceptional reason" as to not being able to attend face-to-face judging, another family member may walk through with their exhibit. However, the "exceptional reason" must be approved by both the 4-H Youth Agent and the exhibitor's general leader. If excused, exhibitor will not be judged down.
7. If exhibitor does not conform to the rules, exhibitor will be judged down one placing. Example: poster which is the wrong size.
8. The department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

Beef, Dairy, Sheep, Swine, Goat, Waterfowl, and Poultry Family Livestock Exhibit Awards are sponsored. The awards will be judged on the following criteria:

1. Number of animals exhibited – 1 point per animal, max. of 10
2. Placing of animals – Grand Champion and Champion – 5 points, Blue – 4 points
3. Family and animal identification – 10 possible points
4. Decorations – 10 possible points
5. Educational information provided – 50 possible points
6. Sportsmanship of exhibitors – 10 possible points

The judge that judges each species of livestock will also judge the family exhibit. This award may be given to a family every other year, with the exception of goats which may be given every year.

Department 1 – Dairy Cattle

Department 6 -Horses

Project: Horses 1, 2, 3, 4; Horseless Horse 1, 2, 3, 4; Draft Horse; Miniature Horse; Model Horse

Superintendent: Julia Lepinski 920-672-7370

All equine need to be on the Fairgrounds by 2 pm in 2020. 2021 is still to be determined. Veterinarians will be available at 9 am.

Best of Show Pleasure and Gymkhana – Ribbon provided by the Fair

Rookie Boy and Girl – Trophy provided by the Fair

Health Requirements

Equine for exhibition, or other purposes, are not permitted to enter any fair unless they are in good health and do not show evidence of any contagious or infectious disease. Equine found to be infected with contagious or infectious disease may be ordered to be removed from the fairgrounds any time during the progress of the fair. Equine will be temped before removing from the trailer and inspected when removed from the trailer, on move in day of the Fair, by the Veterinarian on call that current fair year.

All equines are to have a minimum four-in-one (4-1) shot from the current fair year and must have a negative 12-month Coggins test. You must provide a copy of the 12-month negative Coggins and a shot record/receipt from the current fair year when your entries are submitted by the due date set by the Fair Board. The original Coggins test must be shown to the on-call veterinarian, on move in day, in order to be allowed off the trailer, and will be checked against the copy that was provided with the entries. The Coggins Test takes about a week for the results to come back, so allow plenty of time before the fair. A 12-month negative Coggins is also required for all state shows (Pleasure, Hunter-Dressage and Gymkhana). (See Health Requirements section of this book).

Overall Regulations

1. Exhibitors are allowed to bring more than one exhibit animal per exhibitor, with the Horse Barn Superintendent's approval and at the Horse Barn Superintendent's discretion (when space allows), per the guidelines set forth by the Fair Board. (unweaned foals excluded). Must follow the one exhibit animal per lot number within each class letter rule for exhibiting, Pony and Mini/exhibitor combo may not show in their pony/mini designated lot number and that exhibitors age group lot number

within each class letter, unless it is with a different exhibitor. (Pony and Mini/exhibitor combo will be allowed to show in their Pony/Mini Halter lot number and also in their respective Halter gender lot number for the Class A Halter only). Please contact the Horse Barn Superintendent for clarification. Any exhibitor that is not entered correctly will be contacted by the Horse Barn Superintendent for verification/clarification.

2. All exhibit tags must be hung on the stall, and be visible, for the classes that the exhibit animal will be shown in.

3. No stallions allowed 1 year or older. (unweaned foals excluded)

4. Exhibit animal/s must be watered and exercised during the fair by the exhibitor/family and the barn/stalls cleaned according to the regulations set by the Fair Board and Horse Barn Superintendent. Each club/group should have a schedule for keeping their stall areas clean during the fair. Stalls need to be cleaned at a minimum of 2 times per day, with more cleanings encouraged. Water should be checked multiple times throughout the day while the barn is open. (See #15 for more clarification)

5. Adults, with the Horse Barn Superintendent's permission and discretion, may exercise the exhibit animal in the arena (riding is not allowed) when it is impossible for the exhibitor to do the exercising or to help the exhibitor in some circumstances (riding is not allowed) walk/trot or longe only. When there is a safety issue and a more experienced enrolled exhibitor is available, with the Horse Barn Superintendent's approval and supervision, that exhibitor may ride/exercise the exhibit animal. (not training).

6. All exhibitors must wear hard soled shoes with a heel while exercising, exhibiting or any time the exhibit animal is around the exhibitor, which includes in the exhibit animal's stall. Clothing worn during exercising or exhibiting must be in good taste (no tank tops or shirts with inappropriate language). (No wearing Flip-Flops in the stalls while occupied by an exhibit animal)

7. SEI approved safety helmets (with chin strap securely fastened) must be worn whenever mounted on an exhibit animal (including all shows and exercise times) and when in a cart or buggy.

8. Exhibitors are required to attend the mandatory barn meeting on move in day of the current year's fair, exhibitor can only be excused by the Horse Barn Superintendent from this meeting ahead of time and will receive their fair packet after the meeting only.

9. An exhibit animal, at the Fair Boards discretion, not shown or scratched without a medical excuse may be removed from the fairgrounds that day and the exhibitor may be removed from the dorm (if staying on the grounds).

10. No flat nylon lead ropes allowed to be used as tie ropes.

11. No bareback riding.

12. No riding double.

13. Exercise times will be posted by the Horse Barn Superintendent. These practices will be supervised by the Horse Barn Superintendent, Assistant Barn Superintendent, or a responsible person of their appointment. Exhibit animals may not be exercised outside of the posted times without the Horse Barn Superintendent's approval. (it is requested to wear the yellow safety vests when horses are exercising)

14. Stall guards are not allowed in place of sliding stall doors in the barn for safety reasons, NO EXCEPTIONS.

15. No sitting in chairs in open stall doorways while stall is occupied by an exhibit animal.

16. Exhibitors are allowed a tack trunk and 2 chairs in front of each stall, and area must be cleaned up within ½ hour of that day's show completion to be ready for the public. No feed tubs, buckets, muck buckets, forks, garbage, personal items etc. to be in the aisleway once show is completed for the day or during non-show times.

17. No hanging of items on the metal fences of the stalls, please contact Horse Barn Superintendent for this and decoration clarifications and rules.

18. Exhibit animal out of control of exhibitor, going to crash into gate or wall of arena may result in disqualification of that class (handled case by case by the Horse Barn Superintendent).

19. Ponies are measured at 56" and under and Miniatures are measured at 38" and under. All Exhibit animals entered into the Pony/mini lot numbers will be measured on move in day by the Horse Barn Superintendent according to the measurement rule contained in the fair guidelines, and if the exhibit animal is found to be over the 56", they will be moved into the appropriate exhibitor's Age Group classes at that current year's fair.

20. Each exhibitor is allowed to choose up to four (4) premium class lot numbers. (only 1 Showmanship lot number may be chosen) All other classes entered will be for ribbon only.

21. All classes will follow the Marinette County Fair Junior Horse Show Guidelines. If you would like a copy of the Guidelines, please contact Julia Lepinski at 920-672-7370 or the Extension-Marinette County Office at 715-732-7510.

22. Mules (not donkeys) will be allowed to show at the fair starting in 2020. (Donkeys would still be allowed to enter for the weekend before show of the fair with the exotic animals.) Mules are to be entered with the same criteria as stated in the Health Requirements and Overall Regulations.

The 4 premium classes must be decided at the time when entries are due/submitted for the fair and indicated on the entry form with a "P" next to that class/lot number. If no premium classes have been chosen on the entry, the Horse Barn Superintendent will contact the exhibitor for verification.

Patterns may include a walk, trot/jog and lope/canter for regular/novice classes and Patterns may include a walk, trot/jog and extended trot/jog for walk-trot classes, and whatever additional test the judge may ask. Regular Judging

Hunter Hack

Exhibit Animals are required to jump 2 fences and may be asked to do rail work 1 or both ways of the ring. (judge's discretion). Exhibitor may not cross enter into Walk-Trot classes. They will be judged on flatwork, manners, way of going, style over fences and an even hunting pace. Judged maximum of 30% for flat work. (jump height not to exceed 2') Regular Judging

Pleasure Driving

To be shown at a flat-footed walk, slow trot and fast trot, (road gait) both ways of the ring. Regular Judging

Trail

This class is open to Western, Saddle Seat and Hunt Seat styles of riding. Tack and attire must match seat ridden. Each exhibitor will individually complete the course. Course diagram will indicate obstacles to be completed according to the pattern posted. Exhibitors will be allowed to walk the course on foot prior to the start of the class. An exhibitor has three attempts at each obstacle to complete it, and must move on to the next obstacle. There is a 4-minute time limit to complete the course, if exhibitor exceeds the time limit, they are excused but not disqualified and will be scored on the obstacles completed. Timing will start when the exhibitor crosses the start line. Exhibitor may not cross enter into Walk-Trot Classes. Regular Judging

In-Hand Trail

The class will be judged on the performance of the exhibit animal over obstacles, with emphasis on manners and way of going. Credit will be given to the exhibit animal negotiating the obstacles with style, without hesitancy and willingly responding to the exhibitor's cues. Special credit should be given to exhibitors who can negotiate obstacles without entering the obstacle or touching the exhibit animal. Exhibit animals shall be penalized for any unnecessary delay while approaching the obstacles. Exhibit animal is to be led through the course with the exhibitor on the left side. The exhibitor should be positioned between the eye and the midpoint of the neck. Exhibitor may change sides to negotiate obstacles. Regular Judging.

Hunter Under Saddle

The exhibit animal should show a long ground covering stride. Light contact with the exhibit animals' mouth is required. Exhibit animal should be obedient, alert, responsive and move freely. They should not be eliminated for slight errors. Judges may ask for a hand gallop one way of the ring, but no more than 6 will be asked to hand gallop at one time. (Exhibitors in grades 8 and under should not be asked to hand gallop) Exhibitor may not cross enter into Walk-Trot Classes. Regular Judging.

Class Descriptions

Pole Bending

Six California-style poles; pattern will be set to fit the arena. A 3 second penalty is assessed for knocking over a pole if you remain on course. Run down- weave back towards the finish line, weave back again, and run back to finish line. Exhibitor may touch pole to keep it from going down. Disqualifications: Exhibitor is disqualified for a broken pattern, running off course or separation of exhibitor and exhibit animal during the timing period. Regular Judging.

Key Race

The pattern will consist of 6 poles set 6 feet wide and 12 feet long. 3 poles on each side set 6 feet apart. The exhibitor will ride the lane through the poles, turn around, and ride back through the poles, and across the timing line. Disqualifications: Exhibitor is disqualified for a broken pattern, knocking over of poles, running off course or separation of exhibitor and exhibit animal during the timing period. Regular Judging.

Barrel Race

Cloverleaf pattern, pattern will be set to fit the arena. A 5 second penalty is assessed for knocking over a barrel if you remain on course. Disqualifications: Exhibitor is disqualified for a broken pattern, running off course or separation of exhibitor and exhibit animal during the timing period. Regular Judging.

Flag Race

Barrels are placed the same as in the barrel race. Pick up flag from sand bucket on outside of barrel - ride around outside of end (second) barrel and outside of third barrel, and deposit flag in sand bucket on this barrel. Disqualifications: The exhibitor will be disqualified for dropping the flag; flag not staying in the "stuck position" in the material inside the container on the third barrel; not going around the second barrel; knocking over any flag container; knocking over any barrel; using the flag for a bat; running off course or separation of exhibitor and exhibit animal during the timing period. Regular Judging.

LT Special

The two (2) barrels are placed in a straight line, horizontal with the timing line. The pattern will be set to fit the arena, with no barrel closer than 15' from any fence. The pattern can be run either left or right. Exhibitor may touch a barrel to prevent it from falling over. Penalty: There is a five (5) second penalty for each barrel knocked down. Disqualifications: Exhibitor is disqualified for broken pattern, running off course, or separation of exhibitor and exhibit animal during the timing period. Regular Judging.

Plug Race

This race uses only the end barrel of the barrel-racing pattern, go down to and around the barrel and back to the finish line, a 5 second penalty is assessed for knocking over a barrel if you remain on course. Disqualifications: Exhibitor is disqualified for a broken pattern or separation of exhibitor and exhibit animal during the timing period. Regular Judging.

Class List for Gymkhana

Premiums for classes ZB – ZG will be:

\$8.00 \$7.00 \$6.00 \$5.00

(All other premium amounts are listed with the class letters not mentioned above)

Entries are timed. Regular Judging

SEI approved safety helmets (with chin strap securely fastened) must be worn when exhibitor is riding in the gymkhana events.

Exhibit animal out of control of exhibitor, going to crash into gate or wall of arena may result in disqualification of that class (handled case by case by the Horse Barn Superintendent with escalation to the Fair Board for a decision is necessary).

Use of humane bats with rounded leather end or hand shape and hand quirts will be allowed behind the cinch only. No abusive conduct will be permitted and will be disciplined at the Horse Barn Superintendent/Fair Boards discretion. Whips, over & unders and spurs are not allowed during Gymkhana or Fun Day.

There will be a maximum two-minute time limit per rider on each of the games.

Western saddle is required during Saturday's speed showing.

All times will be posted after the conclusion of the show day.

During the speed show, the exhibitor may lead the exhibit animal in and mount inside the arena, if the exhibit animal is lead in, the exhibitor may ask for a header to hold the exhibit animal while mounting, but cannot start the run until the header is out of arena and the gate is closed. The exhibit animal may be led up to the plane of the gate, with the exhibitor riding, by a header but the header may not cross the plane of the gate.

Best of Show Grand and Reserve Awards – will be determined by averaging all times recorded resulting in a placing, for each exhibitor/exhibit animal combo per class (with a maximum potential of six (6) recorded times per combo), the awards will be presented by the end of the show day.

ELIGIBILITY

Handler Requirements:

- Age: Open to competitors regardless of experience level.
- The rabbit and handler are considered a team and may only compete as such. Each rabbit can only show under one handler.
- Due to the nature of this public venue it is of the utmost importance for the handler to never leave rabbits unattended in the competition area and to always use favorable animal handling techniques. Any rabbit mistreatment will result in immediate competition disqualification.
- Handlers must always display good sportsmanship and behavior. Poor sportsmanship and behavior may result in disqualification.
- Handlers must wear appropriate shoes and clothing. Flip flops and open toed/ heeled shoes are not allowed. All loose clothing and long hair must be under control so as not to interfere with the judge's view or get caught on equipment.
- All competitors acknowledge their participation in the event is an acceptance for the use of their likeness including, but not limited to, photos or video footage for use in print or electronic media.
- Rabbit Requirements:
- Breeds: Rabbits do not need to be registered, pedigreed or purebred. All varieties except giant breeds can compete.
- Age: Rabbits must be 5 months or older to compete.
- Sex: Bucks, does, spayed or neutered rabbits can compete.
- Health: Rabbits must be free from infections, parasites, contagious or transmissible diseases.
- Weight: Rabbits weighing more than 9 ½ lbs. will not be allowed to compete. Rabbits in question will be weighed.
- Overweight, visibly pregnant or nursing does are not allowed to jump.
- Harness and lead/leash: Handlers must supply their own harness and lead/leash. Rabbits competing must wear an "H" style harness (with hook on the top and in back) with a 6' lead except for the agility course and the long/high jumps where it is optional. Mesh or string harnesses are not allowed.

Hopping Equipment: Competitors must treat all equipment with respect. Abuse of any equipment may lead to competition disqualification. Handlers are not allowed to jump over the rails or step on any agility obstacles.

- 1) Lead/leash: Should be marked with colorful tape 24" inches up from the clip.
- 2) Straight and Crooked Courses: Run courses are 3' wide and a maximum of 40' or 75' long with 8 to 10 wooden jumps will be set for each course. Rails are 24" long rectangle poles, weighing 2.6 ounces each and are set 2" apart (height). Posts are set 24" apart (width) and 5' to 6 1/2' apart (distance).

Easy Class - 8 jumps

- 5 feet between the jumps
- Minimum Height - 2 inches
- Maximum Height - 10 inches
- 50% of jumps must be 8 - 10 inches

Medium Class - 10 jumps

- 6 to 6 1/2 feet between jumps
- Minimum Height - 6 inches
- Maximum Height - 14 inches
- 50% of jumps must be 12 - 14 inches
- No more than 3 triple or double jumps

Difficult Class - 10 jumps

- 6 to 6 1/2 feet between jumps
- Minimum Height - 10 inches
- Maximum Height - 24 inches
- 50% of jumps must be 12 - 24 inches
- No more than 3 triple or double jumps

3) High, long and agility jumps/posts are made with flat wood rail sets. Rails are rectangle poles 29" long, weighing 3.6 ounces each, set 2" apart (height). Posts are set 29" apart (width). Agility Obstacles include Start Platform, A-Frame, Tunnel, Tire Jump, Bridge, Teeter, and Jumps.

4) Dropped Rails: Runs in which rails have fallen (environment or placement) before the rabbit approaches the jump will be re-run with no penalty.

Check in: Each team (handler and rabbit) will be assigned a team number. The team number should be displayed on the handler. Exhibitors competing with two rabbits will have two team numbers. Handlers MUST wear the proper number for each team.

STRAIGHT LINE, CROOKED COURSE COMPETITION RULES

1) Course: Only one team will be allowed on the course at a time. Each team will run the course two (2) times. Teams will be assigned a course for Run #1 and then they will move to the other course for Run #2. All teams will make their first run before attempting their second run. Teams may start from either end of the course. The team handler must inform the Gate Keeper which end they will start from.

2) The handler should be keeping pace alongside the course but can step on or cross the course between jumps if needed.

Handlers may not stand behind their rabbit on the run or step over any of the jump rails and posts.

3) First and Last Jumps: These two jumps are considered free jumps and no faults will be counted on either jump. Lifting the rabbit over the last jump will not count as a fault but the handler cannot lift the rabbit until it reaches the marked lift line. Corrections and faults will be counted between the run space after the first jump and the lift line before the last jump.

4) Rabbits must hop through the course on their own free will. The handler may guide a rabbit forward by using a gentle touch on the back or rib area but may not yell or stomp feet to force the rabbit to hop.

5) The lead/leash cannot be held closer than 24" from the back of the rabbit and must remain loose as the rabbit passes over a jump.

6) The course is considered complete and the clock is stopped when the rabbit has touched all four feet on the ground after clearing the final jump.

8) Scoring:

- a) Faults and corrections from run #1 and run #2 will be added together.
- b) Time (nearest tenth of a second) from run #1 and run #2 will be added together using the official timer's recorded time. If a time is in question the back-up time will be considered.
- d) If a tie exists for the final placing the following criteria will break the tie:
 - i. Quickest accumulative time
 - ii. Least amount of corrections not converted to faults
 - iii. A run off (two new runs) will determine the higher place

AGILITY COMPETITION RULES

1) Course: The agility course is set as a square with 20' sides. The run is 2' wide with a ½' foam mat under.

2) All rabbits will run the course in the same direction. All teams will have two (2) runs.

3) The competition begins and ends on the start platform. Time is started once the rabbit has all four feet off the start platform.

4) Handlers are not permitted to step over the jump rails/obstacles or stand on the mat behind their rabbit. Handlers may step on or across the mats between the jumps/obstacles.

5) Rabbits must hop through the course on their own free will. The handler may guide a rabbit forward by using a gentle touch on the back or rib area but may not yell or stomp feet to force the rabbit to hop.

6) Rabbits must clear all jumps. Each rabbit will have three attempts at an obstacle before the judge will wave the rabbit on to the next obstacle. That obstacle will then be counted as a missed or skipped obstacle.

7) Agility Obstacles/Requirements:

a) Start/End Platform: All four feet of the rabbit must be on the start platform before

it can start; time will not stop until all four feet are back on the platform at the end of the course.

b) Jumps: Rabbits must clear all jumps over the rails between the posts in the direction indicated by the judge without knocking down any rails/posts.

c) A-Frame: The rabbit must stay on the carpet going up the ramp, cross the apex and move down the ramp with all four feet touching the carpet in the direction indicated by the judge. Rabbits should not leap off the top of the A-frame.

d) Tunnel: The rabbit must enter the open end and exit the opposite end in the direction indicated by the judge.

e) Tire Jump: The rabbit must jump through the tire opening in the direction indicated by the judge. There is no penalty if the rabbit touches the tire.

f) Bridge: The rabbit must stay on the carpeted part of bridge. All four feet must touch the bridge while walking up the ramp, across the bridge and down the other side. The rabbit should not jump off from the top of the bridge or skip the down ramp.

g) Teeter: The rabbit must stay on the carpeted surface of the teeter while stepping onto it. As the rabbit is moving across the teeter to the pivot point causing it to tilt the rabbit must have all four paws on the teeter as it descends to the ground. The teeter must touch the ground before the rabbit leaves it.

8) Scoring: Faults and corrections from run #1 and run #2 will be added together.

a) Time (nearest tenth of a second) from run #1 and run #2 will be added together using the official timer's recorded time. If a time is in question the back-up time will be considered. The winner is determined by the least amount of faults and then the fastest time.

b) Tie-breaker Criteria:

i. Quickest cumulative time

ii. Least amount of corrections not converted to faults

iii. A run off (two new runs) will determine the higher place

HIGH JUMP AND LONG JUMP COMPETITION RULES

High Jump

1) Course is 2' wide and 20' long.

2) Starting height is 10" and will move up 2" until a winner is determined.

3) Each team gets three (3) attempts to clear a height. A team will continue at a height until the rabbit clears the jump or is eliminated with three (3) misses. Any rail knocked off is considered a miss. The third miss determines the team's final height.

4) Teams may approach the jump from either side during their 30 second approach time. If no jump occurs, it is counted as a miss.

5) A team may take a "Pass" at a height and continue when the next height is called.

6) Scoring: The highest cleared jump with the least number of misses determines placing.

a) Tie-Breaker Criteria: starting at the highest cleared height each attempt is compared until the competitors are differentiated by a miss or a higher start height.

b) If a tie still exists, a Jump Off will take place starting at the last height cleared.

Long Jump

1) Course is 2' wide and 20' long.

2) Each rabbit gets three (3) attempts to jump a distance during the Semi-Finals.

Rabbits which clear 22" will qualify for the Finals. Any rail knocked off is considered a miss. The third miss determines the team's final distance.

3) Teams may approach the jump from either side during their 30 second approach time. If no jump occurs, it is counted as a miss. If the rabbit walks across the set rails it is considered a miss.

4) During the Finals a team may take a "Pass" at a distance and continue when the next distance is called. Rail distance will advance by 4" increments between 22" and 42". After 42" rail distance will advance by 2" increments.

5) Scoring: The farthest jump with the least number of misses determines placing.

a) Tie-Breaker Criteria: starting at the highest cleared height/length each attempt is compared until the competitors are differentiated by a miss or a higher start height.

b) If a tie still exists, a Jump Off will take place starting at the last distance cleared.

Scoring

Corrections: A correction is documented any time the handler bends at the waist and touches, snaps or clicks at the rabbit. If the handler bends at the waist and touches the rabbit excessively, it is the judge's discretion to add corrections.

Faults: are totaled in the official scoring system. Faults can be assessed by a specific action or accumulated by a number of corrections. Faults are accumulated by the following:

Straight Line/Crooked Course Faults:

- Three (3) corrections = 1 Fault.
- Team number not easily visible on handler = 1 Fault
- Handler's hand is closer than 24" on the lead = 1 Fault
- Each knocked down rail or post = 1 Fault
- Rabbit jumps outside of the jump posts = 1 Fault
- Lifting rabbit over a jump = 1 Fault (excluding first and last jump)
- Lifting rabbit over the last jump before the lift line = 1 Fault
- Sliding the rabbit more than 6" on the run = 1 Fault
- Exceeding 2-minute time limit. Every 15 seconds = 1 Fault (maximum 4 Faults)
- Rabbit jumps back (wrong way) over a jump = 5 Faults (TEAM RELAY ONLY)

Agility Faults:

- Four (4) corrections = 1 Fault
- Each knocked down rail or side post = 1 Fault
- All four feet do NOT touch the carpet on the obstacle = 1 Fault
- Handler lifts the rabbit off the ground = 1 Fault
- Sliding the rabbit more than 6" on the mat = 1 Fault
- Handler touches an obstacle = 1 Fault
- Not finishing an obstacle by leaping forward or off the side (A-Frame, Bridge, and Teeter) = 2 Faults
- Each time the rabbit steps off the mat = 3 Faults
- Skipping obstacles = 4 Faults

Disqualifications:

Warnings: (one warning bell) is given before a disqualification after the following actions:

- Handler displays improper handling of the rabbit.
- Handler holds the lead too tight, thereby restricting hopping.
- Handler receives assistance from spectators.
- Team is on the course before called to start.
- Team is not available at the start.
- The handler does not place the rabbit where it naturally would have landed after lifting it out of a failed jump.

Immediate Disqualification: (two warning bells)

- Team is not ready to start after a warning.
- The rabbit leaves the competition area.
- Negligent rabbit treatment (kick, hit, drop, throw, misuse of lead/leash).
- Handler loses the lead/leash as the rabbit is hopping over a jump.
- Handler uses feet to guide, push or move a rabbit.
- Handler steps on, walks over or moves jump rails/posts or obstacles.
- Exceeds maximum time limit.
- Rabbit jumps a jump/obstacle out of course order. All four feet must be on the obstacle before it is considered the "wrong way".
- Rabbit is lifted off the ground by the lead/leash.
- Re-jumping a completed jump

Department 9 – Dogs

Projects: Dog 1, 2, 3

Superintendent: Anne Biernasz

715-923-4738

Judging held at fairgrounds on Saturday before the fair.

Dogs must be kept on leash and not taken near the cat building.

Dogs should be brought to fairgrounds for the dog show only.

No dogs are allowed on the fairgrounds during the fair.

All dogs must have distemper vaccination within one year & Rabies within three (3) years of show date or within a minimum of 14 days prior to the show date. Proof of vaccine must be shown to dog superintendent prior to the fair or show date, unless vet excuse is present for animal.

Each dog must be equipped with a slip or buckle collar, no attachments, 6 foot leather or web lead for obedience classes. Showmanship lead is required for showmanship classes. Dogs in brace must have proper brace coupler.

Unless stated otherwise, Marinette County Fair will follow 4-H literature. Obedience scoring will be based upon percentage earned from total points. This percent will be multiplied by 100 and added to Showmanship score to determine Grand and Reserve Champion. Must have a qualifying score in all exercises and have 170 points or better to receive any trophies.

Members advance to next class by receiving points of 180-200, when receiving 150-179 points the member has the option to advance, members receiving points of 149-0 must remain in that class unless member, parent/guardian, and trainer agree that member can advance. A member and/or dog can only be in Pre-Novice A for 1 year. Please notify Show Superintendent and Project Leader if dog is in season. Separate obedience area will be provided for these dogs. Dogs in season may not participate in showmanship; however, approved substitutions may be accepted. Substitute dogs must meet health requirements and have had some obedience classes during the current year to be eligible (have the skills) to compete at the pre-entered at the Fair Dog Show.

Premiums will not be awarded to disqualified birds. Sick birds will be sent home with an automatic fourth place. See Health Requirements section, refer to mandatory Health Requirements for poultry.

All poultry except waterfowl, shown in public exhibition shall originate from flocks designated as "U.S. Pullorum-Typhoid Clean" under the national poultry improvement plan or from equivalent flocks or shall have had a negative pullorum-typhoid test within 90 days of movement to public exhibition. All birds must be tested or have their NPIP Certificate. No poultry of any type of class showing any evidence of disease may be exhibited at any fair. Exhibitors must bring certification of pullorum-typhoid testing for each bird exhibited. Without certification, birds will have to be tested, which will require a fee. Turkeys must be tested within 90 days prior to exhibiting.

Cock and hen birds are birds hatched before January 1 of the exhibit year. Cockerel and pullet birds are birds hatched on or after January 2 of the exhibit year.
